Lostock Hall Primary School Information

Lostock Hall is a school where the needs of growing children are paramount, and we aim to offer the best quality of educational experience for the boys and girls in our care. At Lostock Hall we try to create an environment where all are known and respected, and each has a part to play in our school community which includes governors, staff, children and parents. Parents are most welcome to visit the school and meet the Head Teacher.

Admissions are administered centrally through the Cheshire East Admissions team. Cheshire East Borough Council's admissions policy states that "any child reaching the age of five between 1st September and 31st August may be admitted full time to school on the first day of the Autumn term in September. Children from outside the school's normal catchment area may attend provided there is enough room, and the current annual admission limit of 24 children in any National Curriculum year group is not exceeded.

Getting off to a confident start in their education is very important for young children and to this end we do the following:

- We liaise with local playgroups and groups of children, and staff from Lostock Hall pays them visits.
- We invite parents of Reception children to an evening meeting prior to the children starting at school.
- Arrangements are made for the children to attend school as part of our Reception class for pre-planned sessions during the half term prior to starting school officially.
- Parents and pre-school children are encouraged to attend our regular coffee afternoons where a crèche facility is provided.

Our building is set well back from the road on a large site comprising an extensive playing field, playgrounds and an environmental study area. The school has been recognised as a Health Promoting School, resulting from the development of the outside environment. The school building, which was opened in 1974, is extremely well resourced, through new build (2012) and internal refurbishment. Careful organisation of our open plan environment provides the necessary timetabling for shared facilities and for small, large group and whole class learning.

The children are involved in local music festivals which take place from time to time and generally involve other primary schools in the area taking part. They raise funds for local, national and international charities. The school benefits from association with the local Residents Group, local churches, Brownies, Lostock Hall Pre-School Nursery, and Lostock Rangers FC to name but a few.

We are also proud to be global partners, supported by the British Council, with Sinendet Primary School, Njoro, Kenya. Teachers recently took part in the third year of exchange programmes, whereby they visited the school in Kenya. Two teachers from Sinendet (Anthony and Joseph) visited Lostock in June 2013 and in 2014 we welcomed Evans and Rahab. We continue to explore our partnership.

In order to support children's development under "Being Healthy, Staying Safe and Enjoying and Achieving" the teaching staff at Lostock Hall volunteer to run a wide range of clubs and hobbies after school hours. The children are invited to participate in after-school activities generally run by

teachers with help from parent volunteers. Some hobbies run during the lunch hour but most run from 3.15pm – 4.15p.m. Activities such as Cookery, Cross Country and Recorders, run alongside Craft and Library Clubs. Gymnastics, Tennis, football (led by coaches from Lostock Ranger F.C.), netball, dance and cheerleading (with The Poynton Pixies) are also on offer, leading to participation in some local tournaments.

In year 5 and year 6, our children are given the chance to take part in the Bikeability training scheme, which is a cycling proficiency test designed to give them the skill and confidence to ride their bikes safely on today's roads. All of year 4 and 5 children participate in a music tuition scheme as part of a whole band ensemble organised by the Love Music Trust.

Educational visits, both residential and non-residential, are accompanied by teachers and parents, and provide valuable experience in the areas of independence and maturity. Starting in our Reception class and throughout the school we organise residential trips. The Reception class have recently stayed in an outdoor centre at Beeston and the older children take part in an annual visit to the Conway Centre at Menai, where they are involved in a rolling programme of outdoor activities designed to provide valuable experience in the areas of co-operation, trust and leadership.
