### **Summary.**

We continued to use Little Sports Coaching to enhance our P.E. curriculum. They worked alongside our subject leaders to develop a whole school P.E. curriculum overview. Little Sports also provided afterschool football coaching for our year 5 and 6 pupils. This is paid for by school using the sports premium to ensure all children who would like to be in the school football team are given the opportunity. We were members of the school's sports partnership, which enabled us to take part in sporting events with other local schools. Coach travel was used to transport children to take part in different sporting competitions.
