A dark blue banner with a subtle pattern. On the left is a small icon of a smartphone displaying a calculator app. To its right, the text 'Download the 1-minute maths app' is written in white, with 'app' in a larger, bold font. Below this, in smaller white text, it says 'Free to download for teachers, parents and pupils'. To the right of the text are three rounded rectangular buttons in a lighter blue color, each containing white text: 'APPLE APP STORE', 'GOOGLE PLAY STORE', and 'AMAZON STORE'.
