We continued to use Little Sports Coaching to enhance our P.E. curriculum. Mr Lynch followed the P.E. curriculum that was written last year alongside Mrs Myers. Little Sports also provide afterschool football coaching for year 5 and 6 pupils. This is paid for by school using the sports premium to ensure all children who would like to be in the school football team are given the opportunity. We were members of the school's sports partnership, which enabled us to take part in sporting events with other local schools.

Continue with Little Sports Coaching

We continue to use Little Sports. We are involved in Achievement For All which is a program to look at supporting children across school in areas where they may need extra support. At Lostock Hall, the majority of our children who are being targetres for this programme, are also our PP children.

KS1 are going to purchase some new outdoor play equipment to enhance the children's playtimes and support their physical development during these free times.

- Due to Lockdown this has carried over from last year; Mrs Myers is in the process of researching some additional sports companies to come in and offer extra sports to the children i.e. Rugby Tots/ Hip Hop.
